

Join us for a symposium highlighting—

New Evidence in VATS: Exploring the Connection between Innovation and Outcomes

Peer-reviewed evidence evaluates how medical device innovations can address critical complications and hospital costs in thoracic surgery.

Symposium presenters:

- Peter Licht, MD, PhD
- Daniel Miller, MD
- Ed Kassis, MD
- Chad Eckert, PhD
- Sanjoy Roy, MS
- Jason Harris, PhD

Dr. Peter Licht is a paid consultant of Ethicon

Monday
May 28th
