Consistent compression.
Superior seal.

Ethicon Linear Cutter*

Consistent compression
• Innovative 3-D staple technology is designed to produce uniform tissue compression within the staple line

Reduced risk of leaks
• The Ethicon Linear Cutter helps reduce the risk of staple line leakage compared to the Autosuture DST Series GIA (GIA8038S)1

Superior hemostasis
• The Ethicon Linear Cutter delivers superior hemostasis compared to Autosuture DST Series GIA2

Applicable specialties
• Colorectal
• General
• Gastric
• Thoracic

1 Benchtop testing of luminal leak pressure in an excised animal tissue model. Hemostasis assessment based on visual inspection of vessels after transection in an animate porcine model.
2 Assessment based on visual inspection of vessels after transection in an animate porcine model compared to the Autosuture DST Series GIA (GIA8038S) and Frankenmann Chex Linear Cutter (LC80B).

*Ethicon Endo-Surgery™ Linear Cutter
Product overview

- Innovative 3-D staple design with angled, parallel staple legs to deliver consistent compression
- Proximal preload mechanism and distal tissue stop help ensure consistent staple form
- Versatility of selectable staple height delivers three closed staple heights
- Two lengths available to accommodate a range of procedure applications
- Intermediate locking position allows the surgeon to manipulate tissue without separating the device

Device may be loaded twelve times for a maximum of twelve firings.

How to Order

All purchase orders are made to Johnson & Johnson Health Care Systems, Inc. (JJHCS) or your authorized distributor.

Electronic Ordering Options

(Note: Placing orders electronically avoids minimum order fees for your hospital.)

Johnson & Johnson Gateway: www.jnjgateway.com/commerce
For questions about your order, visit the website or call 1-866-JNJ-GATE (565-4283).

For questions about your order, visit the website or call 1-800-YOUR-GHX (968-7449).

Electronic Data Interchange (EDI): JJHCS EDI Help Line: 1-800-262-2888

Customer support

For product use assistance, clinical guidelines, service and repair, emergency assistance, copy of a 510(k) clearance letter or complaints, please contact our Customer Support Center at customersupport@eesus.jnj.com or by calling 1-877-ETHICON (384-4266). Our Support Center is staffed 24 hours a day, 7 days a week by qualified nurses to answer your product-related questions.

Nonelectronic/Manual Ordering Options

Call JJHCS at 1-800-255-2500 between 8:30 a.m. and 9:00 p.m. Eastern Standard Time or fax your order to 1-732-562-2212.
